

Middle Ridge Cabin Dedication and Open House

Please join us in a celebration of our new Middle Ridge Cabin

This cabin could not have happened without community partnerships between a number of organizations and individuals. This celebration is dedicated to their support.

When and Where:

Saturday, June 19, 2010;
1:00 PM at the Middle Ridge Cabin Site

This log cabin is the Wrangell Ranger District's first road accessible cabin; built in a scenic mountain setting for both winter and summer recreation. It is entirely ADA accessible with a location that offers affordable access from Wrangell by high-clearance vehicle in the summer and snow machine in the winter.

Please Join Us:

The District will be hosting a ribbon-cutting and picnic with hot dogs and beverages. The public is welcome to join us in our celebration.

Bob Dalrymple
Wrangell District Ranger
